

Network of Regional Governments
for Sustainable Development

Working Group on Financing Climate Action

Agenda of the First Technical Meeting

17th May 2011 – 15:30-17:30

Welsh Assembly Government EU Office –

Rond-Point Schuman 11 – Brussels, Belgium – metro Schuman

RSVP as soon as possible to [nrg4SD Secretariat](#)

Guest technical experts:

- Mr. Emmanuel Legrand, Deputy Director for Investments and Mr. Nicolas Chung, Senior Investments Manager, CdC Climat - *Short biographies available [here](#)*
- Mr. Olivier Degos, Delegate for Sustainable Development, Regional Council of Aquitaine
- Mr. Pedro Ballesteros Torres, Programme Manager, DG Energy, European Commission (tbc)

Main objective: to start creating technical capacity in group members on the international state of play of carbon finance tools, thanks to the newly-established collaboration between CdC Climat and nrg4SD.

Documents for the meeting, including recommended bibliography, are available [here](#).

Agenda

1. Introduction to the day and tour de table
2. Adoption of the draft minutes of the 23 March 2011 meeting
3. Update on membership and new collaborations
4. Presentation by Mr. Emmanuel Legrand and Mr. Nicolas Chung - 1) Financial tools implemented by the Kyoto Protocol at both global and European levels; 2) Post-2012 issues; 3) CdC Climat's approach to regional carbon funds
5. Presentation by Mr. Olivier Degos – 'A practical experience on the set up of a regional carbon fund: state of play and prospects for the Carbon Fund Aquitaine'
6. Round table discussion on technical aspects of carbon finance tools and mechanisms; answers to questions and contributions from regional technical representatives

Group members are kindly reminded to prepare technical questions. Those preparing their questions in advance are kindly requested to send them to [nrg4sd Secretariat](#), so we can pass them to CdC Climat in order to facilitate preparation and outcomes of the session)

7. Date and draft agenda for next meeting
