Associate to nrg4SD Application Form

The Network of Regional Governments for Sustainable Development, nrg4SD, is primarily an organisation representing subnational governments/regions and associations of subnational governments/regions. However, the statutes of nrg4SD foresee the category of associater.

Associate members are interested parties such as non-governmental organisations, universities and academic institutions, trade unions, employers' associations and other associations/groupings committed to sustainable development who accept the nrg4SD Founding Declaration of Gauteng and the payment of an annual fee. Associate members will be heard but have no voting rights.

Once the forms fully completed are received, the Steering Committee of nrg4SD will examine the application. Following from the positive recommendation of the Steering Committee, the General Assembly of nrg4SD ratifies the accession of the new associate.

Forms fully completed should be returned to
