The **Network of Regional Governments for Sustainable Development, nrg4SD** works tirelessly to champion the work of subnational governments on sustainable development, including climate action. International organisation representing subnational governments (namely federated states and regional governments) at the global level; nrg4D promotes understanding, partnerships and projects in sustainable development and seeks greater international recognition of the important contribution of subnational governments towards sustainable development. Member of the Organisations des Régions Unies/Forum Global d'Associations de Régions (ORU/FOGAR), nrg4SD is the voice of ORU/FOGAR in the field of sustainable development.
